

## Harrisburg High School College and University Prep Program

The Harrisburg School District offers a rigorous college and university prep program for its students. Currently, three options are available to earn college and university credit during a student's high school career: Advanced Placement Courses, the Augustana University Dual Credit Program, and courses through our state's public universities. It is important that each student at Harrisburg High School take time to consider all offerings available for a given course and make the right decision for their individual circumstances. These circumstances may include the ability to transfer credits from one institution to another, course code, number of credits offered, method of assessment for passing grade determination, registration deadlines, and cost. It is the sole responsibility of the student to determine which pathway best fits their individual needs.

While we encourage all students to challenge themselves to the fullest extent, Augustana University and the College Board (Advanced Placement governing body) have created a list of suggested guidelines for students wishing to enroll in an AP or dual credit course. This list is not meant to limit those who wish to enroll, but instead to offer guidance for what it takes to be successful in a college-level course. These suggested characteristics include:

- Students with a strong academic record who are willing to put in extra hours on homework and classroom activities
- Students with a cumulative GPA of 3.0 or better
- Students who have earned a "B" or better in prior content-related courses

In addition, students interested in participating in dual credit courses through the public universities in South Dakota **must meet the enrollment requirements** found at <http://sdmylife.com/students/advanced-education-opportunities/>.

All college credits earned will be recorded with the respective academic provider (College Board, Augustana University, or Mount Marty College). It is the responsibility of the student to contact that institution and request a copy of their transcript for any and all college and university purposes. While the Harrisburg School District will record high school credits earned, it will not keep individual records of college and university credit. Any questions regarding this program should be directed to:

Dr. Michael Amolins  
6-12 Curriculum Director

## **Advanced Placement Course Offerings**

AP Biology	AP Calculus	AP Chemistry	AP Government & Politics
AP Human Geography	AP Language & Composition	AP Literature & Composition	AP Music Theory
AP Statistics (Online)	AP Physics	AP US History	AP World History

**Website:** <https://apstudent.collegeboard.org/home>

**Registration Deadline:** 2/28/18

\*Registration for Advanced Placement Exams takes place through the High School Curriculum Director (Dr. Amolins). All AP Exams require a registration fee of \$93. If a student receives a passing score of 3 or higher, the district will reimburse this fee. In addition, students eligible for free and reduced lunch are able to take Advanced Placement Exams free of charge.

## **Dakota State University Dual Credit Offerings**

HHS Course Title	DSU Course Code	DSU Course Title	DSU Credits	Cost
College Algebra*	MATH 102	College Algebra	3 cr	\$145

\*This course is offered at HHS and is taught by a College Professor from DSU.

**Website:** <http://sdmylife.com/students/advanced-education-opportunities/>

**Registration Deadlines**   **Summer:** 5/1/17   **Fall:** 8/16/17   **Spring:** 1/1/18

## **Online Dual Credit Offerings Through South Dakota Public Universities**

All online options through South Dakota's public universities, as well as registration forms and enrollment requirements, can be found on the SD MyLife website (See Above for DSU). Cost for enrollment is \$48.33/credit hour + cost of textbooks.

## Augustana University Dual Credit Offerings

HHS Course Title	AU Course Code	AU Course Title	AU Credits	Cost
Anatomy & Physiology	BIOL 105	Survey of Anatomy & Physiology	4 cr	\$200
AP Literature & Composition	ENGL 110	First-Year Composition	4 cr	\$200
AP US History*	HIST 120	American Experience to 1877	3 cr	\$150
	HIST 121	American Experience Since 1877	3 cr	\$150
AP World History	HIST 130	World History	3 cr	\$150
AP Music Theory	MUSI 120	Music Theory I	2 cr	\$100
Principles of Biomedical Sciences (PBS) <b>AND</b> Human Body Systems (HBS)**	BIOL 100PL	Principles of the Biomedical Sciences and Human Body Systems	4 cr	\$200
Medical Interventions (MI)	BIOL 101PL	Medical Interventions	4 cr	\$200
Biomedical Innovation (BI)	BIOL 102PL	Introduction to Biological Innovation	4 cr	\$200
Introduction to Engineering Design (IED) <b>AND</b> Principles of Engineering (POE)**, †	PHYS 100PL	Introduction and Principles of Engineering	4 cr	\$200
Digital Electronics (DE) †	PHYS 101PLD	Specialized Engineering: Digital Electronics	4 Cr	\$200

\*Denotes high school courses for which students may earn up to 6 credits (two courses) at Augustana University. Credits for both courses are registered simultaneously during the spring semester.

\*\*Both high school courses listed must be taken in order to receive credit for a single college course.

†Course offered through Sioux Falls CTE Academy.
