

Hello, Tiger Nation, Track and Field season is upon us and another opportunity to volunteer for your preferred Harrisburg extra curricular activity! The South Dakota Track and Field Championship meet is scheduled for Saturday, May 19, and we need your help! Volunteering at a jump, throw, working setting up hurdles, handing our medals and ribbons are all available spots to for students and adults to volunteer some hours on May 19th. We need homemade baked goods to sell to the crowd, we need any age concession stand workers, adults to assist with walk-up registrations early that morning, and volunteers to help the young competitors line up to race and then receive their awards after the finish. Please peruse the sign-up genius below and get registered for your event! The time volunteered for this event, like all Tiger Nation fundraisers, will be acknowledged and recorded for your extra curricular preference.
